

Welcome to Wiltshire Golf

Welcome to a new era for Golf in Wiltshire!

As of January 2018 the Wiltshire Ladies County Golf Association and the Wiltshire County Golf Union merged to become Wiltshire Golf Ltd, operating as Wiltshire Golf. This gives us a great opportunity to serve our members better and develop the game of golf in Wiltshire.

We now have a Board of Directors who will manage the company going forwards. The Board comprises of:

Chair - Ray Smith (The Wiltshire)

President – Frank Ham (Tidworth)

Immediate Past President and Director - Carol Main (Chippenham)

Operations Director - Scott Talbert (Wrag Barn)

Director of Performance & Player Development – Colin Rossiter (Chippenham)

Director of Competitions - Sue Lyons (Marlborough)

Finance Director - Roger Hunt (Wrag Barn)

Director of Participation & Club Services - Quentin Grandison (Chippenham)

Director - Ali James (Cumberwell)

Director – Verity Manners (Wrag Barn)

Director – Lynn Thornton (Kingsdown)

You will be able to see minutes from all committee and Board meetings on the website, and club representatives will be provided with frequent updates as to what is going on.

Speaking of the website we will be re-launching a new improved iteration very soon and we will welcome your feedback when it has been bedded in.

All the summer competitions will open on the 1st February for entry - please be aware that we are phasing our entry forms for adult competitions and we would like everyone to enter online. If you don't have a PayPal account that's not a problem - just click on the 'checkout as Guest' button and you can pay using your credit or debit card.
